Everything that is needed to complete the spell is an adult to make their best printed by Louis Armstrong If you think about it, what a wonderful world has always been a song about colors and light. There are "green roses," red red " " blue skies " " white helmets " " and rainbow. There is also a "blessed day", and a "dark sacred night." My son Luke was excited to be these color elements and label them. Children with autism usually learn to label colors in their first teaching programs, so color language becomes highly reinforcing. Luke also fiercely caught in the repetition of the liber "what a wonderful world" and especially enjoyed the página full of hearts for the letter "I love you." --- I check books for children from the perspective of a child of children with autism. Have you ever wanted to have a word for friends who are as a family for you, or for the way you doubt when you have someone's name? Did you know that there was a special word for the distance a reindeer can travel before needing the bathroom? Or by the time youFor anything in the water using only your feet? This collection selected by hand of non -translatable words from all over the world celebrates the magic of language, with beautiful original art works and fascinating facts about each word and the culture from which it comes. Today I am excited to welcome My Stop on the blog Tour for What a Wonderful World, a book of non -fiction of brilliant and inspiring children that celebrates the planet in which we live and shows us how we can improve it.
